oh sh!#

what the hell

oh

no

no no no no no no no no no no no no no no

no!!!!!!! what the hell???????

who the F@!(breaks into an apartment to steal an SD card and 20 year old game cartridges?!?!?!

Grogh! what seems to be the issue?

oh

uh, hey Mr. Morrison

you um, wouldn't happen to have noticed anything weird happen here in the past hour or two?

well I did see one of them little greyish pokey-armed alien guys come out of the window here with a handful of little plastic things

I didn't figure anything was wrong.

thought it was part of that alien guy survey you're working on with the uh...

oh. um actually I don't work for the university any more

where was it?

it's a long story anyway though*

Um, have you seen it? Is it still around here??

*No, it's not. He fed one of the test subjects whipped cream and it got diharrea.

Well, I haven't seen him in a while but he looked like he was headed that way From what I saw of hi-

Ok great thanks!!

slam!

I was gonna say that doesn't seem like much of a lead to go off of

yeah. i guess not. thanks though

panicked gurgling

Grogh!?

yeah?

I just got a gray alert on my phone

It looks like there's one of those little guys at the Sunny and Chairs on 15th Street causin' a bit of commotion

don't know if that's the same one or-
